**Summary of reasons for decision:**

The Blu-ray disc contains a feature previously classified under the Films, Videos, and Publications Classification Act 1993. The DVD version of the feature OFLC No. 0900800) was classified "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years", with the descriptive note "Contains violence, drug use offensive language and sexual themes". This decision was registered on 21 July 2009.

The Blu-ray disc contains a version of the feature, behind-the-scenes components, six trailers advertising other similar features, and a short film. These additional components do not require the Blu-Ray to be given a different classification to that of the DVD originally examined.
